

Bob and Jan , I taped August 1997 (Mimi just wants to save this for posterity.)
Entitled Time Out

To all my precious grandchildren and great grandchildren :
Do not engulf yourself so deeply in work and other activities that you cannot take time
out to enrich the lives of your little ones with the beauty and mysteries of nature.

Mimi's Salute to Fathers with love on Fathers Day 1997:

F is for the faithful love he gives us.

A is for his arms that hold us tight.

T is for the many times he saved us.

H is for his home to share our plight.

E is for his everlasting kindness.

R means right and right he'll always be.

Put them all together; they spell Father, a Dad that means the whole wide world to me.
