## Kristen Johansen & Cody Sheesley

March 8, 2003

### couple's profile

#### ABOUT THE COUPLE

Kristen is a 28 year old Marketing Manager with Oracle Corporation, currently residing in Denver, Colorado.

Cody is a 27 year old Commercial Real Estate Broker with CB Richard Ellis, currently residing in Den Colorado.

[http://wedding.weddingchannel.com/pwp/CP\\_Guest\\_View.asp?wauid=200659724](http://wedding.weddingchannel.com/pwp/CP_Guest_View.asp?wauid=200659724)

3/16/2003

**HOW THEY MET:** Since all great romances are derived from baseball movies, this one was destined to be a home run! This story includes a man, a woman, a baseball and an Oak tree. Cody was a pitcher for the Menlo Oaks. Although his first love was baseball, he was able to balance pitching no hitters and hitting on Kristen. Originally, he was too shy to admit that his wild pitches weren't to intimidate the batter of the opposing team. Instead of focusing on the plate, Cody's gaze was on Kristen, who was sitting in the stands with her girlfriends admiring the baseball players. Although Menlo is comprised of fewer than 500 students, it took a whole semester for Kristen and Cody to meet. Immediately after returning to school in the spring, Kristen and Cody met at a mutual friend's party. Their mild flirtation quickly evolved into a strong friendship that grew into love. Kristen eventually tamed Cody's wild pitches and the two complimented each other perfectly. So, what do a baseball and an Oak tree have in common? Although a baseball can be thrown in the air or admired on a mantel, it can only cause sparks to fly with a bat made by the wood of a solid Oak tree (for those of you who are baseball fans please note, in this case, pine or maple is too light and might cause the bat to break).

**THE ENGAGEMENT**

Their engagement was announced on November 17, 2001.

**HOW THEY GOT ENGAGED:** After dating for over 5 years, most couples have heard the question, when are you two going to get married, about a million times. As most couples know, the first few years are spent dodging the question with responses like, We are too young or We aren't ready. During the next few years the woman contemplates how it's going to happen while the man tries to come up with a creative way to surprise his girlfriend. Unfortunately for Cody, Kristen is about the hardest person to surprise. She even had her girlfriends considering ways that he could pop the question. One November night over dinner, Cody kept on teasing Kristen by continually asking her to marry him. After Kristen had given enough witty responses, Cody asked her to go into the hot tub with him. She really didn't want to go outside in the freezing cold but she remembered that a friend had told her about a meteor shower that was going to light up the sky that evening so she agreed. When they were finally in the hot tub, Cody asked Kristen if she would marry him. At first, she glared at him. She thought he was still joking. Then, she looked down and realized there was a ring on her finger. All she could say was, Oh my god, oh my god, oh my god. The evening ended in a fabulous display of natural fireworks provided by miraculous meteors that lit up the sky. Who can ask for more than this? Cody smiled at Kristen and said, Now, we are under contract!

Their wedding date is set for March 8, 2003. Their reception will be held at The Karmina Palace in Manzanillo Mexico, outside on the green lawn overlooking the ocean..
